

Request for Change in May Meeting Date

Professional Services Division

February 8, 2006

Overview of this Report

Staff recently received notification from NCATE that the dates of the 2006 NCATE Partnership Clinic will be May 17 – 19, 2006 in Portland, Oregon. The next scheduled meeting of the COA is May 18. Administrator Larry Birch and Consultant Teri Clark are planning to attend the meeting to represent California. Since staff will be involved in developing the materials to submit with the partnership application, it is important that they be in attendance at the meeting in Portland. Further, if the COA meeting is scheduled after June 1, 2006, the COA will have an opportunity to meet after the Commission meeting of May 31 – June 1. It appears that it would be best to change the date of the meeting. Last year, the COA met on June 9, 2005. The corresponding date this year would be June 8, 2006.
